To Whom It May Concern:

The following report provides the results of a survey recently conducted for *Greek Reporter* by Signet Research, Inc., an independent research company.

The objective of this study was to better understand the political opinions of the *Greek Reporter* audience regarding the upcoming 2020 United States Presidential election.

On February 19, 2020, the survey went live and was promoted via the *Greek Reporter* Facebook page. A link to the survey was also included in the *Greek Reporter* newsletter.

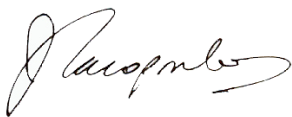

As an incentive, respondents were offered a chance to win a 3-night stay in 2020 at Lithoro Olympus Resort Villas & Spa.

By the closing date of March 9, 2020, 1,128 qualified responses had been received.

The findings of this survey may be accepted as accurate, at a 95% confidence level, within a sampling tolerance of approximately +/- 2.9%.

The questionnaire used in this survey is included at the end of this report.

Sincerely,

Joanna S. Zanolou
President
